GINGER

Luxury For Your Lifestyle™

You can find your refuge in the simplicity of order and security. GINGER provides a range of thoughtful products that have been specifically designed and engineered to provide convenience, safety and an attractive environment.

SHOWER BASKETS in a range of styles, sizes and shapes, including deep ones for your oversized bottles and children's toys, eliminate the clutter and keep toiletries close at hand. Optional holder stores razors, loofahs and more.

GRAB BARS are a necessary safety item for all ages and every bathroom. They belong in bathing areas and beside the toilet.

COORDINATING SHOWER RODS add instant chic. The extra sturdy brass holders and brass rod will not sag, rattle or slip free.

TOWEL BARS, TOWEL RINGS AND HOOKS keep your bath linens and robes where you need them.

HOTEL STYLE TOWEL SHELVES keep backup towels and toilet tissue nearby—a gracious touch, especially for guests.

PRODUCT NOTES

The following general guidelines provide basic information on GINGER® product categories; there are many exceptions. See the pricing and specifications book for a complete representation of items offered in the collections shown in this catalog, or visit our website to view all products available from GINGER®

Grab Bars
1-1/4" diameter. Meet ASTM f446 standards. ADA-compliant. Available in the following configurations: Straight bar: 12", 16", 18", 24", 32", 36", 42" and 48" lengths (on centers).

Towel Bars
18", 24" and 32" nominal lengths. Single bars available in 12" length also.

Hotel Shelves
With or without a towel bar. Some with hooks. 20" and 24" lengths. Heavy-duty construction includes brazed joints, reinforcement sleeves where shelf meets wall, stainless steel wall brackets and heavy-gauge tubing.

Toiletry Shelves - tempered glass. Some with towel bar. Tilting gallery rail or hooks. In 18" and 24" lengths.

Soap Dishes - Clear Glass

Straight Shower Rods
Rubber O-ring in holders secures rod firmly in place. Heavy-gauge brass rods are 6', to be trimmed to size on site.

Curved Shower Rods
Can be cut to size to fit your application (up to 2" on each side). Adds up to 6.25" of additional elbow room.

Mirrors
Most with beveled edges. Available framed (except CIRCE, HOTELIER, KUBIC and SINE) or frameless. Patented mechanism #MTM-009 tilts mirror downward up to 4.5° with a light touch; ADA-compliant.

Lights
UL listed for damp interior locations. Incandescent often comes with choice of glass shades. To activate the nightlight feature, provide two individually switched "hot wires" to fixtures. See pricebook or website for installation instructions and bulb information.

OEM/Custom
We custom design and/or manufacture pieces for manufacturers and multi-unit projects. For further information, please call 949.417.5207 or email hospitality@brasstech.com.
